KING'S PLATE ARTICLES.

IT is his MAJESTY'S Command, that these following Rules be observed by the Owners and Riders of all such Horses, Mares, and Geldings, as shall run for his MAJESTY'S PLATES at Newmarket.

I. EVERY horse, mare, or gelding, that runneth for the said Plates, shall carry twelve stone, fourteen pounds to the stone, three heats.*

II. Every person that putteth in a horse, mare, or gelding, for the said Plate, is to shew such horse, mare or gelding, with the marks, name, and name of the owner, to be entered at the King's Stables in Newmarket the day before they run; and shall then produce a certificate under the hand of the breeder, that his horse, mare, or gelding, be no more than years old the grass before.

III. Every horse, mare, or gelding, that runneth, is to start between the hours of one and four in the afternoon; and to be allowed half an hour between each heat to rub.

IV. Every horse, mare, or gelding, that runneth on the wrong side of the posts or flags, or is distanced in any of the heats, shall have no share of the said Plate, nor be suffered to run any more.

V. The horse, mare, or gelding, that winneth any two heats, winneth the Plate; but if three several horses, mares, or geldings, win each of them a heat, then those three, and only they, to run a fourth heat, and the horse, mare, or gelding, that winneth the fourth heat, shall have the Plate.

VI. And each horse's, mare's, or gelding's place, as he or they come in, by the Ending-post, each heat, as 1st, 2d, 3d, &c. shall be determined by such judges as shall be appointed for that purpose by the Master of the Horse. And in case any horse, mare, or gelding, shall be then or after proved to be above the age of years the grass before, the owner or owners of such horse, mare, or gelding, shall be made incapable of ever running for any of the King's Plates hereafter.

---

* By order, this is altered to One Heat, and different weights are appointed.

VII. As many of the riders as shall cross, jostle, or strike, or use any other foul play, as shall be judged by such person or persons as shall be appointed by the Master of the Horse, such rider shall be made incapable of ever riding any horse, mare, or gelding, for any of his Majesty's Plates hereafter; and such owners shall have no benefit of that Plate; but such owners may be permitted to run any horse, mare, or gelding, for any other of his Majesty's free Plates hereafter.

VIII. Every rider shall, immediately after each heat be run, be obliged to come to the Ending-post with his horse, mare, or gelding, then and there to alight, and not before, and there to weigh to the satisfaction of the judges appointed for that purpose.

IX. And in case of neglect or refusal thereof, such owners and riders shall be immediately declared incapable of running or riding any more for this or any of his Majesty's Plates hereafter.

X. And in case any difference shall arise, relating to their ages, or in their running, or to these his Majesty's Orders, &c. the same to be determined by such person or persons as shall be appointed by the aforesaid Master of the Horse.

*** *These Articles will continue in force for succeeding years, unless directed to the contrary by his Majesty.*

FORM OF A CERTIFICATE

OF HAVING WON

A KING'S PLATE.

THESE are to certify, That his Majesty's Plate of a Hundred Guineas, was won at the day of 182 , by 's horse, called

A. B. Steward.
C. D. Clerk of the Course.

E. } * Lord Lieutenant of the County.

To his Grace the Duke of Dorset,
Master of the Horse to his Majesty. }

[*The signature of the Lord Lieutenant alone is sufficient, but that can seldom be obtained without first producing to him a Certificate signed by the Steward and Clerk of the Course.*]

N. B. The certificate, when properly signed, is payable at sight to the winner of the plate (or to any other person, if endorsed by the winner) at the Office of the Clerk of his Majesty's Stables, in the King's Mews, London.

☞ Since the alteration in the Act of Parliament, respecting Stamps for Receipts, the Clerk of the Stables requires the person presenting a Certificate for payment, to provide a Receipt Stamp of the proper value, which at present is *two shillings and sixpence.*

---

* If the Lord Lieutenant be *officially* out of the Kingdom, the signature of the Vice Lieutenant is admissible. The Certificate for the Ascot Heath Plate must be signed by the Master of his Majesty's Hounds, instead of the Lord Lieutenant.

RULES

CONCERNING

HORSE RACING IN GENERAL;

WITH A DESCRIPTION OF

A POST AND HANDICAP MATCH.

Horses take their ages from *May-Day*, i. e. a horse foaled any time in the year 1824, will be deemed a year old on the 1st of May, 1825.

Four Inches are a Hand.
Fourteen Pounds are a Stone.

Catch Weights are, each party to appoint any person to ride without weighing,

Give-and-take Plates are, fourteen hands to carry a stated weight, all above, or under, to carry extra, or be allowed the proportion of seven pounds to an inch.

A Whim Plate, is weight for age, and weight for inches.

A Post Match, is to insert the age of the horses in the article, and to run any horse of that age, without declaring what horse, till he come to the post to start.

A Handicap Match, is A, B, and C, to put an equal sum each into a hat; C, who is the handicapper, makes a match for A and B, who, when they have perused it, put their hands into their pockets, and draw them out closed, then they open them together, and if both have money in their hands, the match is confirmed; if neither have money, it is no match. In both cases the handicapper draws all the money out of the hat; but if one has money in his hand, and the other none, then it is no match; and he that has money in his hand is entitled to the deposit in the hat.

The horse that has his head at the Ending Post first, wins the heat.

Riders must ride their horses to the Winning Post to weigh, and he that dismounts before, or wants weight, is distanced.

If a rider fall from his horse, and the horse be rode in by a person that is sufficient weight, he will take place the same as if it had not happened, provided he go back to the place where the rider fell.

Horse plates, or shoes, not allowed in the weight.

Horses not entitled to start without producing a proper certificate of their age, if required, at the time appointed in the articles, except where aged horses are included, and in that case a *junior* horse

may enter without a certificate, provided he carry the same weight as the aged.

For the best of the plate, where there are three heats run, the horse is second that wins one.

For the best of the heats, the horse is second that beats the other twice out of three times, though he doth not win a heat.

A confirmed bet cannot be off without mutual consent.

Either of the bettors may demand stakes to be made, and on refusal declare the bet void.

If a party be absent on the day of running, a public declaration of the bet may be made on the Course, and a demand, whether any person will make stakes for the absent party; if no person consent to it, the bet may be declared void.

Bets agreed to pay or receive in London, or any other particular place, cannot be declared off on the Course.

At Newmarket, if a match be made for any particular day in any Meeting, and the parties agree to change the day, all bets must stand; but if run in a different Meeting, the bets made before the alteration are void.

The person who lays the odds, has a right to choose his horse, or the field.

When a person has chosen his horse, the field is what starts against him, but there is no field without one starts with him.

Bets made in guineas are paid in pounds.

If odds are laid without mentioning the horse before it is over, it must be determined as the bets were at the time of making it.

Bets made in running are not determined till the plate is won, if that heat be not mentioned at the time of betting.

Where a plate is won by two heats, the preference of the horses is determined by the places they are in the second heat.

Horses running on the wrong side of the post, and not turning back, distanced.

Horses drawn before the plate is won, are distanced.

Horses distanced, if their riders cross or jostle. All complaints of foul riding must be made before or at the time the jockey is weighed.

A bet made after the heat is over, if the horse betted on does not start, is no bet.

When three horses have each won a heat, *they only* must start for a fourth, and the preference between them will be determined by it, there being before no difference between them.

No distance in a fourth heat.

Bets determined, though the horse does not start, when the words "absolutely," "run or pay," or "play or pay," are made use of in betting.

Example.—I bet that *Mr Robinson's* bl. h. *Sampson*, absolutely wins the King's Plate at *Newmarket* next Meeting: I lose the bet though he does not start, and win though he goes over the Course alone.

In running of heats, if it cannot be decided which is first, the heat goes for nothing, and they may all start again, except it be between two horses that had each won a heat.

Horses that forfeit are the beaten horses, where it is run or pay.
Bets made on horses winning any number of plates that year, remain in force till the first day of *May*.
Money given to have a bet laid, not returned, if not run.
Matches and bets are void on the decease of either party, before determined.

LAWS OF RACING.

☞ *To prevent disappointment and unnecessary trouble to persons who may be inclined to submit any matters in dispute to the decision of the Stewards of the Jockey Club, we are desired to insert the conditions on which alone they give their opinion.*

The matter in dispute must relate to Horse Racing. *The parties must agree upon a statement of the case in writing, request the opinion of the Stewards of the Jockey Club thereon, and agree to abide by their decision; and such agreement must be signed by the parties.—If the dispute should not occur at Newmarket, the reference must come through, or with the sanction of, the Stewards of the Races where it happened.*

Except the case arise at Newmarket, they decline giving any opinion where facts alone are in dispute: such as a complaint of foul riding, &c. All such cases are most effectually investigated on the spot, whilst the matter is fresh in the memories of the witnesses, where their attendance is most easily procured, and their credibility best understood.

All communications must be addressed "To the Keeper of the Match-book, at Newmarket," and delivered free of postage.

By order of the Stewards,

EDW. WEATHERBY.

NEWMARKET, 16th May, 1816.

SOME disputes having arisen respecting the qualifications of horses to run for particular races, as well in regard to the time when the certificates should be produced, as to the person by whom the qualification or disqualification should be proved, the Stewards of the Jockey Club, in the hope of introducing a uniformity of practice in this respect, and with a view to prevent disputes, declare it as their opinion, that when the qualification of any horse is objected to before starting, it is incumbent on the owner to produce a certificate, or other proper document, to the Stewards, or Clerk of the Course, before the race is run, to prove the qualification of his horse; and that if he shall start his horse without so doing, he must be considered as disqualified; and further, that their decisions on all cases referred to them on this point, will be regulated accordingly.

CASE I. July 4, 1776.

A SUBSCRIPTION of 10gs each, for hunters that *never won either plate, match, or sweepstakes*, 12st. each; one 4-mile heat, &c. *To be named, on or before the* 1st *of April*, 1777, to the Clerk of the, &c. &c.

The Stewards of Newmarket were requested to give their opinion —whether a horse, having won a subscription on the *23rd of April*, 1777, was qualified to run for the above?

Answer.—The Stewards are of opinion, that a horse being duly qualified *at the day of nomination* is entitled to start.

CASE II.

A plate of 50l. for four yrs old, 7st. 7lb. &c. winners of one plate since the 1st of January, to carry 3lb. of two, 5lb. extra.

The horse that came in first was deemed distanced, for not having carried 3lb. extra, as winner of a plate the day before. The owner objected to this decision, conceiving that, as the first plate was won subsequently to the entry for that in dispute, it was a case analogous to the above. It was, however, on reference to the Jockey Club, decided that the horse ought to have carried the 3lb. extra.

CASE III.

The D. of Rutland and Mr Wyndham, whose filly and colt ran a dead heat for a sweepstakes, in the Craven Meeting 1822, afterwards agreed to divide the stakes; but it being deemed necessary for one of the horses to walk over, a doubt arose as to the mode of settling bets, and the following cases were submitted to the Jockey Club.

1st. A bets B 5gs on the field agst one of the horses which ran the dead heat.

2nd. A bets B 5 to 2 agst the other.

3rd. A bets B 3 to 1 that one of the horses which ran the dead heat, and Augusta in the Claret Stakes, did not both win.

The Stewards and Members of the Jockey Club decided that, in the first and second cases, the money betted must be put together, and then divided equally between the parties. And, in the third case, that the dead heat being the first event, the bet thereby became void.

CASE IV.

A, B, and C run for a subscription, the best of heats. A wins the *first* heat, B the *second*.—C's rider, after saving his distance the second heat, dismounts between the distance-post and the end, but remounts, rides past the ending-post, and weighs as usual; starts, and wins the *third* heat, and weighs, without any objection being made.

A being second the third heat, in a short time afterwards, demands the subscription (not knowing till then that C's rider had dismounted) and refuses to start for the *fourth* heat, which B and C run for, and C wins.

Query—Which is entitled to the prize?

Answer.—The Stewards are of opinion, that no objection having been made to C's starting for the third heat, C is entitled to the prize.

CASE V.

The winner of a plate, whose horse had distanced all the others, applied for the stakes or entrance-money, which was advertised to be paid to the second-best horse that won a clear heat—one of the distanced horses had won the first heat.

Answer.—The winning horse cannot be deemed the second horse, and therefore is not entitled to the stakes, to which the owners of the other horses, being distanced, have also no claim.

CASE VI.

For a plate, the horses came in as follows:—Question, whether B was entitled to the stakes?

A - - -	2	0	1	1
B (fell) - -	1	0	2	dis
C - - -	3	0	3	dr

It was decided that B, being distanced, was not entitled to the stakes.

CASE VII.

A Gold Cup, &c. for horses that never won.

A - - - -	1
B - - - -	2
C - - - -	3

The owner of B claimed on the ground of A's disqualification, he having the preceding year won a clear heat at Chelmsford, to entitle him, according to their articles, to the stakes or entrance-money.

Answer.—The Stewards are of opinion, that A was not disqualified, and consequently is entitled to the cup, &c.—the term "winner," they conceive, applies only to the horse that beats all the rest.

CASE VIII.

An enquiry whether a horse having won a sweepstakes of 23gs each (3 subscribers) is qualified to run for a 50l. plate, expressed to be for horses that never won plate, match, or sweepstakes, of that value?

Answer, by the Stewards of the J. C.—That it has been the practice in estimating winnings, to consider the clear sum gained only, and consequently to exempt the stake of the proprietor; the horse, therefore, which had won a sweepstakes of 46gs only, viz. two stakes of 23gs each, was not thereby disqualified for the 50*l.* plate above mentioned.

CASE IX.

Mr Baird having entered two horses for the King's Plate at Newcastle, in 1793, and won it with Sans Culotte (his other horse not

starting) the owner of the second horse objected to his receiving the plate, on the ground that he was disqualified by having *entered* two horses.

The matter being referred to the Stewards of the Jockey Club, by his Grace the Duke of Northumberland, they determined that Mr Baird was entitled to the plate.

CASE X.

A betted B that a mare should trot a mile in five minutes, in four minutes and a half, and in four minutes; all which, it was stated, she won with ease; but B measuring the distance after the races were over, found it was short of a mile by four yards. The Stewards of the J. C. to whom this point was referred, determined that as no objection was made to the measure of the Course before starting, and the mare having performed the distance set out, and not objected to, A won all the bets.

CASE XI.

In 1799, on a case referred to them, the Stewards determined as follows:—" The receiver of a forfeit is not deemed, in our opinion, to be a winner of a race, unless specified to be so by a particular article." By a subsequent decision, the *walking-over* for a forfeit makes no difference.

☞ For other decisions, see Vol. 1797, p. 115; Vol. 1798, p. 124; and Vol. 1810, pp. 104 and 141.

*** *By particular desire, we mention what constitutes an untried stallion or untried mare, viz. one whose produce has not started in public.*

RULES AND ORDERS

OF THE

JOCKEY CLUB.

EVERY person, who shall ride at Newmarket for plate, &c. to weigh when he comes in, allowing two pounds above the weight, and no more, unless declared before starting.

Every rider who shall neglect to obey this resolution, is guilty of contempt of the order of this Club, and shall be disqualified from riding hereafter at Newmarket.

The forfeits of all bets to be paid according to the proportion in which the principals compromise their matches.

Any person desirous of being admitted into the Coffee-room, Newmarket, must be proposed by a member of the Jockey Club, and his name put over the chimney and door the day before he is to be balloted for; there must be at least twelve members present at the ballot, and three black balls exclude.

The owner of every horse, &c. entered to run for two or more prizes on the same day, shall for the future be obliged to declare to the Keeper of the Match-book, before eight o'clock in the evening preceding the day of running, which of the said prizes he intends to start his horse for; and the said Keeper of the Match-book shall immediately declare it in the Coffee-room.

Three members of the Jockey Club are appointed stewards. One new steward is appointed every year by the steward who quits, subject to the approbation of the members of the Jockey Club then present.

The three stewards, or any two of them, are vested with full power to make such regulations as they think proper in regard to the exercise-ground and the Course.

The three stewards, concurring, have it in their power to appoint such person or persons as they may choose to keep the Coffee-room, match-book, receive the stakes, and to collect the entrance-money and all other funds belonging to the Jockey Club.

The stewards to be responsible to the Jockey Club for all the money collected as belonging to the Club.

The stewards have it in their power to fix the hour of starting for each match, &c. but they are obliged to fix those hours of starting by eight o'clock in the evening preceding the day of running.

The accounts are to be produced by the stewards annually.

A day-book shall be kept by the person appointed by the stewards, and continue in the Coffee-room, in which shall be entered an account of all matches, subscriptions, and sweepstakes, to be run for each day within that meeting; and as the different stakes are made, the payments shall be marked to the names of the persons so paying.

All stakes shall be made in cash, bank bills, bank post bills properly endorsed, bankers' notes payable to bearer, or bankers' notes payable to order, also properly endorsed; and not otherwise, without the consent of the party or parties present, concerned in the match, subscription, or sweepstakes, on whose account such stakes are made.

All stakes for matches, subscriptions, and sweepstakes, shall be made before starting for the same, and in default thereof by any person, he shall forfeit in like manner as if he had not produced his horse to start, and shall have no claim to the stake or stakes of the match, subscription, or sweepstakes, should his horse have started and come first; and this to remain in full force, as an established agreement of the Jockey Club, unless such person has previously obtained the consent of the party or parties present, with whom he is engaged, to dispense with his making the stake as aforesaid.—N.B. This rule does not extend to bets, which are to be paid and received as if no such omission had happened.

And in order to prevent frauds, notice shall be given that if any person make any bet or bets, from signal or indication, after the race has been determined at the post, such person is not entitled to receive, or liable to pay the same; as such bet or bets is or are fraudulent, illegal, and totally void; and that if any servant belonging to a member of the society shall be found to have made, or to have been engaged in the making, any such bet or bets, he shall be dismissed his service, and no further employed by any member of this society.

That all forfeits, or money paid on compromising any match or sweepstakes, shall, bonâ fide, be declared and entered in the day-book, in order that all betters may be put upon an equality with the persons who had the match or sweepstakes, and may thus ascertain in what proportion they are to pay or receive.

That the hours of starting shall be fixed up in the coffee-room by eight o'clock in the evening preceding the day of running: and it is expected that every groom shall start punctually at the time appointed; and any groom failing so to do shall forfeit five guineas each time to the Jockey Club. It is also expected that every groom will attend to the regulations and orders which the stewards of the Jockey Club may give, relative to the preservation of the course and exercise-ground.

That all disputes relative to racing at Newmarket, shall, for the future, be determined by the three stewards, and two referees, to be chosen by the parties concerned. If there should be only two stewards present, they are to fix upon a third person in lieu of the absent steward.

That if for any sweepstakes or subscription, the first two horses shall come so near together, that the judge shall not be able to decide which won, those two horses shall run for such prize over again, after the last match on the same day; the other horses which started for such sweepstakes or subscription shall be deemed losers, and entitled to their respective places, as if the race had been finally determined the first time.

All double bets are considered as play or pay.

When any match or sweepstakes shall be made, and no particular weight specified, the horses, &c. shall carry eight stone seven pounds each. And if any weight is given, the highest weight is, by this resolution, fixed at eight stone seven pounds.

No horse that is matched to run on the day of entrance for any plate, &c. shall be obliged to show and enter at the hour appointed, but shall show and enter within an hour after his engagements are over, provided such horse, &c. be named at the usual time of entrance, which is to be between the hours of eleven and one, for all plates, subscriptions, and sweepstakes, where any entrance is required, and no other particular time specified.

That all bets depending between any two horses, either in match or sweepstakes, are null and void, if those horses become the property of one and the same person, or his avowed confederate, subsequent to the bets being made.

That the *Cup* be challenged for on the Monday in the First Spring Meeting, and the horses named for it declared at six o'clock on the Saturday evening of the said Meeting.

That the *Whip* be challenged for on the Monday or Tuesday in the Second Spring or Second October Meeting, and the acceptance signified, or the Whip resigned before the end of the same Meeting.

If challenged for and accepted in the Spring, to be run for on the Tuesday in the Second October Meeting following; and if in the October, on the Thursday in the Second Spring Meeting, B. C. weight, 10st. and to stake 200gs each.

Five per cent. allowed on all forfeits declared to the Keeper of the Match-book, at or before the time of reading the list the evening before running, and if the forfeits amount to 100gs or upwards, ten per cent.

That after the first day of July, 1793, no person shall be allowed to start any horse, mare, or gelding, for match, sweepstakes, or subscription, unless he shall have paid all former stakes and forfeits to the Keeper of the Match-book, by eight o'clock in the evening before starting.—This rule was intended, and has since been declared, to extend to Epsom, Ascot, Brighthelmstone, York, Doncaster, and all other places, besides Newmarket, where races are run, and engagements entered into, by Members of the Jockey Club, for matches, sweepstakes, or subscriptions. And it is recommended to the consideration of the stewards of other races, where Members of this Club are not amongst the subscribers.

That when any match is made in which crossing and jostling are not mentioned, they shall be understood to be barred.

That when any match or sweepstakes is made, in which no Course is mentioned, it shall be understood to be the Course usually run by horses of the same age as those engaged, viz. if yearlings, the Yearling Course; if two years old, the Two Years Old Course; if three years old, Rowley's Mile; if four years old, Ditch-in; if five years old or upwards, Beacon Course; and in case the horses matched should be of different ages, the Course to be settled by the age of the youngest.

That all forfeits declared or incurred for any match, sweepstakes, or subscription, shall be paid to the Keeper of the Match-book, before twelve o'clock on the evening the race is run, under the former penalty of five per cent. to the Jockey Club; and persons making default herein shall not be allowed the deduction made for the timely declaratioon of such forfeits.

That horses, &c. entered for plates or subscriptions, shall not be required to be shown, if such horse, &c. has before started at Newmarket; and that the owner of each horse, entered for a plate or subscription, shall declare to the stewards, or to the Keeper of the Match-book, the evening before, by eight o'clock, or when the list is read, at half-past nine o'clock, whether his horse is intended to run or not, which declaration shall be deemed obligatory, if in the affirmative, unless the horse be taken ill or matched; and if in the negative, his name shall be erased from the list.

That from May 2d, 1800, no gentleman shall try the horse of any other person, except his declared confederate, without giving notice of such trial, by inscribing the name of the horse or horses, or their pedigrees, with the names of their owners, before or immediately after such trial, in the book at the Coffee-room.

That all bets between particular horses be null and void, if neither of the horses happen to be the winner, unless specified to the contrary.

That the Keeper of the Match-book be directed to charge the proprietors of such horses as receive forfeit, and shall be excused from appearing, with the same fees for weights and scales, as if they had come over the Course.

Complaint being made of new and exorbitant demands, in various places, for the maintenance of race-horses and the lads attending them—Resolved, That the Members of this Club will give a preference to such stable-keepers, and inn-keepers, whose charges are reasonable.

That in future the ballots for Members of the Jockey Club shall be in the New Rooms, Newmarket, on the Tuesday in the First Spring Meeting, and the Tuesday in the Second October Meeting in each year.

That the candidates shall be proposed by Members, and their names put up in the Card-room, in the Meetings preceding the ballots, viz. in the Craven, and the First October Meetings.

That nine Members at least be present at the ballot, and that two black balls exclude.

That all Members of the New Rooms, at Newmarket, may be-

come Members of the Coffee-room, by application to Mr Weatherby, and causing their names to be inserted in the list of subscribers.

NEWMARKET, May 12, 1815.

At a Meeting of the Stewards and Members of the Jockey Club, it was resolved unanimously, That in future the day, with respect to engaging the ground for trials, shall be divided into two periods; that is, previous to nine o'clock in the morning, and subsequent to twelve at noon; that no one stable-keeper shall engage the ground for both these periods on the same day, nor for more than two of these periods in the same week.

That in future, the notices for engaging the ground, instead of being delivered in the usual way, shall be entered in a book, to be kept for that purpose at the Coffee-room, at least two days before the day on which it is engaged; and that in cases where, from the shortness of the time, two days' notice cannot be given, the person engaging the ground shall send out warnings as upon former occasions, and also immediately enter the notice in a book kept for that purpose; and that if any transfer of such notice is made, it shall be entered in the same book, before the ground is used by the person borrowing it; and that no notice or warning shall be deemed sufficient, unless so entered; and that no person shall be bound to give any other notice or warning.

Complaints having been made that improper persons have been found on the ground engaged for trials, it was resolved, That the Rules of this Club will, in future, be strictly adhered to and put in force against all persons so offending.

THATCHED HOUSE, June 1, 1815.

At a Meeting of the Stewards and Members of the Jockey Club, held here this day, it was

Resolved,

That no bet, which shall be made on the Derby or Oaks Stakes after the first day of June, 1815, shall be considered as play or pay, unless specified as such between the parties at the time the bet is made.

That the above regulation be applicable to the St. Leger Stakes at Doncaster, from the first day of October, 1815.

NEWMARKET, 24th April, 1817.

Whereas, by a resolution of the Jockey Club, of the 12th of May, 1815, it was ordered, that the race-ground should be reserved for private trials, each day, previously to nine o'clock in the morning, and subsequently to twelve at noon:

And whereas, in the race-weeks the shutting up the ground till so late an hour as nine o'clock in the morning is found inconvenient, and in the summer season is unnecessary:

It is therefore ordered, That from the first day of the Craven Meeting till the last day of the Houghton Meeting, the ground shall not be reserved for private trials later than eight o'clock in the morning.

And it is further ordered, That no person shall train or exercise

any horse on the Heath at the west end of the town of Newmarket during the hours in which it is reserved for private trials, unless he has engaged the ground.

NEWMARKET, 31st October, 1817.

At a Meeting of the Jockey Club, it was proposed, and resolved unanimously, That in future no nomination or subscription shall be received, or considered as valid, so as to intitle the person naming or subscribing to start his horse, unless he shall, before the time of closing of the sweepstakes, or subscription, named for, or subscribed to, have paid up all arrears of stakes and forfeits.

NEWMARKET, July 13, 1819.

At a Meeting of the Stewards and Members of the Jockey Club, it was resolved, in order to defray the expense of repairing the Course and Exercise-ground, that one guinea annually be paid in respect of every race-horse that shall be trained or exercised, or that shall run any private trial or public race thereon.

That the same shall be paid by the stable-keeper or servant having the care of such horse, and be charged by him to the owner of such horse.

That every such stable-keeper or servant shall, immediately after the Second Spring Meeting and the Houghton Meeting, in every year, deliver to the Keeper of the Match-book, at Newmarket, a list of the horses which have been under his care, liable to pay the said charge, and shall then also pay to the Keeper of the Match-book the money due for each horse.

And that the first payment of such charge shall be made at the end of the next Houghton Meeting, upon every horse liable thereto, between the 1st of August next ensuing the date of this Resolution, and that period.

NEW ROOMS, NEWMARKET, 23rd April, 1821.

At a General Meeting of the Stewards and Members of the Jockey Club:

It was stated by the Stewards, that a complaint had been made to them that *William Taylor*, commonly called *Snipe*, had been discovered watching a trial, with a telescope, and that they had required him to attend this Meeting.

On which the said William Taylor was called in, and acknowledged the truth of the charge against him, but refused to inform the Meeting who were his employers.

It was therefore resolved, That Mr Weatherby should cause notices to be served upon him, to keep off the heath grounds occupied by the tenants of the Jockey Club, and should use his best endeavours to obtain from the several occupiers of lands adjoining, or near the race-ground, notices to the said William Taylor, to keep off the lands in their several occupations.

And it was further resolved, that any person who should in future be detected offending in like manner, or who should be proved to have employed any persons to watch trials, should be served with similar notices.

And it was further resolved, That the several Members of the Jockey Club should and would require their grooms to discharge all boys and other persons employed by them, who should be detected in watching or divulging any trial; and should and would require their grooms not to employ any boy or servant who was not able to obtain a good character from the master he last served.

And at a Meeting, held 25th April, 1821,

It was resolved, That the rules relating to the giving notice of trials should not be considered as extending to trials run at a greater distance from Newmarket than 25 miles.

New Rooms, 9th May, 1821.

At a Meeting of the Stewards and Members of the New Rooms, it was resolved, in order to ensure a sufficient attendance at the ballots, that for the future all the Members of the Jockey Club should be entitled to ballot for the Candidates for the New Rooms.

New Rooms, Newmarket, 10th July, 1821.

At a Meeting of the Stewards and Members of the Jockey Club, it was proposed and resolved, that all bets made subsequently to the races at Epsom, in the year 1822, shall be considered as made in pounds sterling, and not in guineas as heretofore.

New Rooms, 31st Oct. 1822.

At a Meeting of the Stewards and Members of the Jockey Club, it was proposed and resolved, That all matches, subscriptions, and sweepstakes, to be made hereafter, shall be considered as made, and shall be run, for sovereigns and not for guineas, whether they be expressed to be made for sovereigns or otherwise.

At a Meeting of the Jockey Club, held at the Clarendon Hotel, Bond-street, Saturday, May 24, 1823—

Resolved,

That, to prevent disputes, the following Rules must be adhered to, in all nominations for stakes made after the 1st of July, of colts or fillies, which have not started before the time of naming:—

1st. The sire, dam, and grandam, of the colt or filly to be named, must be mentioned, if known, unless the dam has a name which is to be found either in the Stud-Book or Racing Calendar, in which case the name of the sire and dam will be sufficient.

2nd. If the colt or filly to be named be own brother or sister to any horse or mare having a name in the Stud-Book or Racing Calendar, it will be sufficient to name it as such.

3rd. If the dam or grandam be sister, or dam, or grandam, of any horse or mare having a name in the Stud-Book or Racing Calendar, it will be sufficient to mention her as such.

4th. In case the dam or grandam should not be known, the sire of the colt or filly must be mentioned, together with such other particulars as will be sufficient to identify the animal.

5th. In case of the dam having been covered by more than one stallion, the names of all the stallions by which she was covered must be mentioned.

NEW REGULATIONS RESPECTING TRIALS.

WHEREAS, by a Rule of the Jockey Club, it is ordered, that "No gentleman shall try the horse of any other person, except his "declared confederate, without giving notice of such trial, by "inscribing the name of the horse or horses, or their pedigrees, "with the names of their owners, before or immediately after, "such trial, in the book at the Coffee-room."

And whereas, complaints have been made, that in some instances this rule has not been attended to.

And whereas, it is highly necessary for the protection of the public that the observance of this rule should be strictly enforced.

Now it is resolved and ordered, that if in future any gentleman shall try the horse of any other person, except his declared confederate, and shall not enter the same in the trial-book, at the coffee-room, within one hour after the trial has taken place, or by nine o'clock in the morning, in case the trial shall have taken place at an earlier hour on that day, the groom having the care of the horse running with such trial horse, and being present at such trial, or if not present, then the owner of any horse running with such trial horse, shall forfeit and pay to the Stewards of the Jockey Club the penalty or sum of *Ten Pounds* for every such offence; with power for the Stewards to mitigate such penalty to not less than Five Pounds, in case it shall fall upon any groom. And for the more easily detecting any transgression of this regulation, IT IS ORDERED, that the hour when such trial took place shall be declared by the person attending to enter such trial; and that such hour, and also the hour of making the entry, shall be entered in the trial-book; and any entry in which these particulars are omitted, or falsely stated, shall be considered as void.

That every bet made upon or against any of the horses running in such trial, between the time of the trial and the entering it in the trial-book, whether it be entered within the time prescribed or not, shall be void.

That in every engagement made with any horse or horses running in such trial, between the time of the trial and the entering it in the trial-book, whether it be entered within the time prescribed or not, such horse or horses shall not be allowed to start, but shall be considered as having declared forfeit, and the owner be liable to pay the forfeit accordingly. And in case any horse so tried shall have started for and won any race made subsequently to the trial, and before the entry of it in the trial-book, his owner shall not be entitled to the stake so won; and in case he shall actually have received it, he shall pay it back into the hands of the stakeholder, who shall pay it over to the owner of the second horse; or in case of a match, shall pay it over to the owner of the beaten horse: but if such horse shall have lost such race, his owner shall not be entitled to claim or to be repaid his stake or deposit for such race. And that in these cases such disqualification shall extend to the horse, without regard to any change of the property in him. And that if, with respect to the disqualification, there shall be any difficulty in ascertaining the horse or horses

tried, the owner of the horse or horses so tried shall be bound, on the request of the Stewards, to declare to them which of his horses ran in such trial; and in case he shall decline so to do, the Stewards shall have power to fix the disqualification upon any one or more of the horses of such owner at their option.

At a Meeting of the Jockey Club, held at the New Rooms, this eighteenth day of May, 1824, these Resolutions and Orders were unanimously approved of and adopted as Rules and Orders of the Jockey Club.

S. Batson,
J. A. S. Wortley, } Stewards.
Chr. Wilson,

New Rooms, Newmarket, July 13, 1824.

At a Meeting of the Stewards and Members of the Jockey Club, it was resolved as follows:—

That in future, when the horses which are brought out to run for any plate, subscription, or sweepstakes, are called upon by the person appointed to start them, to take their places for that purpose, the owner of every horse who comes up to the post shall be considered as liable to pay his whole stake; and all bets respecting such horses shall be considered as play or pay bets.

That after the end of the present Meeting, the stakeholder deduct 1*l.* per cent. from all sums won at Newmarket, in sweepstakes or matches, where the clear sum to be received by the winner, over and above his own stake, shall amount to 100*l.* or more; and that the money so raised shall be disposed of in the following manner, viz.—

Two handicap Plates of 100*l.* each; for four, five, six years old, and aged horses, shall be annually given to be run for: one in the Second October Meeting, Across the Flat; and the other in the Houghton Meeting, from the Ditch in. And that if any horse-keeper shall object to contributing to the above Fund, he will not be allowed to start a horse for either of these plates.

That the first of these plates be run for in the Second October Meeting, 1825.

That from and after the present Meeting, the stakeholder at Newmarket be allowed to retain out of the stakes in his hands the following fees for his trouble, viz.—

For every match—One pound.

For every plate—One pound.

For every subscription or sweepstakes, when the whole stake does not amount to more than 100*l.*—One pound.

For every subscription or sweepstake, where the whole stake exceeds 100*l.* and does not amount to 1000*l.*—Two pounds.

For every sweepstakes, where the whole stake amounts to 1000*l.* or upwards—Five pounds.

And, that after the present Meeting, the Keeper of the Coffee-room at Newmarket be allowed to charge each Member the sum of one shilling every time he shall breakfast there, exclusive of the present subscription.
